

Create a Class

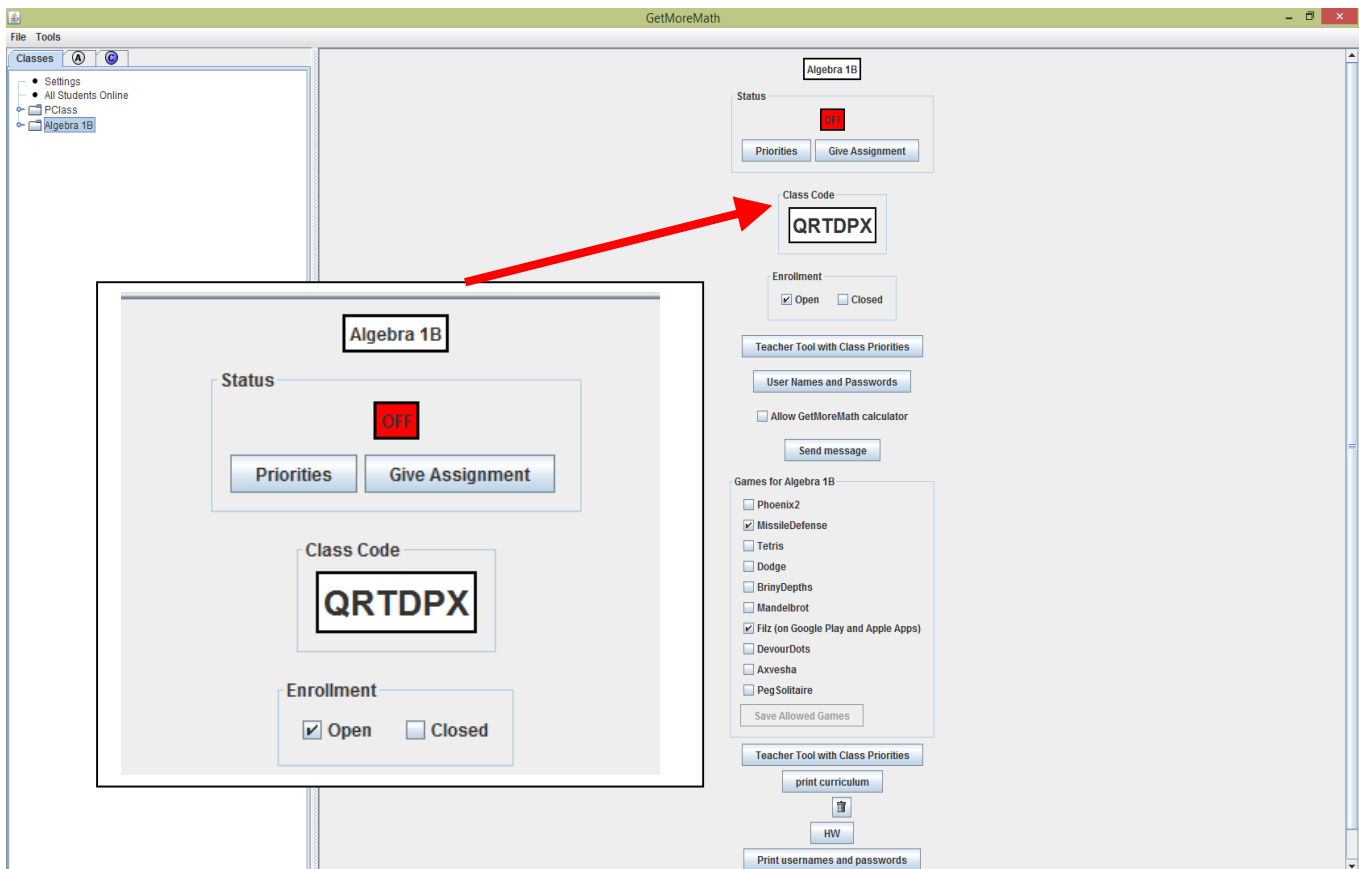

1. Log in to your Get More Math account. Click on **File** in the top left corner, and select **Create Class** from the dropdown menu.

2. Name your class in the **Class Creation** window and click **Submit**.

3. When you select this class, class-specific options will appear on the right hand side of the window. Students will need to know the **Class Code** when logging in for the first time.

4. See "How to Create an Assignment" and "How to Add a Student" for next steps.
