

Name _____

Understand **Get More Math's** symbols and features by completing this activity.

1. Go to: <https://youtu.be/vL0srt2VFFk> and view **Intro to GMM for Students** video.
2. Read the symbol's definition and check **True or False**. If false, correct the definition.
3. Answer the **Follow-up Question**.

<p>EXAMPLE: Smileys</p> 	<p>True or False</p>	<p>Smileys appear on the screen when you answer red problems all problems correctly.</p>
<p>Does anything else fall when you get a question correct? If you are the top scorer in the class, crowns will fall.</p>		
<p>Blue Outline</p> 	<p>True or False</p>	<p>The Blue Outline around a skill means that this is the skill that is currently selected.</p>
<p>Are you able to select a different skill then the one GMM has chosen?</p>		
<p>Colored Squares</p> 	<p>True or False</p>	<p>The Colored Squares represent the different types of math problem that you have already learned.</p>
<p>What are the colors as you go up levels? Red: _____ : _____ : _____ : _____</p>		
<p>Dollar Sign</p> 	<p>True or False</p>	<p>A Dollar Sign appears on the colored squares that GMM thinks will be on a test.</p>
<p>What is one reason a colored square would have a dollar sign?</p>		
<p>Points</p> 	<p>True or False</p>	<p>Points are earned on dollar sign problems when answered correctly on any attempt.</p>
<p>Can you earn a point if the colored square does not have a dollar sign?</p>		
<p>Orange Triangle</p> 	<p>True or False</p>	<p>An Orange Triangle appears in the corner of a square when you click off of it onto a different square.</p>
<p>How many orange triangles can you get on a square before you are required to complete that problem?</p>		
<p>Warning/Red Outline/Purple Dot</p>  <p>First try was incorrect</p>	<p>True or False</p>	<p>The Red Outline indicates that your answer is incorrect.</p>
<p>What do you have to do to eliminate the purple dot?</p>		

<p>Penalty</p> 	True or False	A Penalty is given anytime you get a problem wrong.
What type of problems can you earn a penalty on and why?		
<p>Raised Hand</p> 	True or False	The Raised Hand informs your teacher that you need to be excused from a problem.
Do you and your teacher both need to be online at the same time for this to work?		
<p>Skips</p> 	True or False	You can Skip problems in Mixed Review when your teacher is not online.
What happens to the colored square when you click the skip button?		
<p>Change Assignment</p> 	True or False	The Change Assignment allows you to go back and work on any assignment your teacher has given you.
How can you see the past assignments?		
<p>X Squared Button</p> 	True or False	The X Squared Button exposes math symbols when using a mobile device.
What is one symbol that is exposed when using this button?		
<p>White Arrow</p> 	True or False	The White Arrow is used to change red squares to gold.
This feature is helpful when using what type of device?		
<p>Format/Labels</p> 	True or False	Get More Math will accept any answer given regardless of Format or Labels .
How do you know if an answer must include a label?		
<p>Four Lines</p> 	True or False	The Four Lines open the student menu.
Name one option that appears when you click on the four lines.		
<p>Game Credits</p> 	True or False	Game Credits are accumulated after earning points.
Each game credit earns how many seconds of game time?
