

## *Paid Training Options*

Each option below includes **2 hours** of customized online training.

### *Class & Student Data*

- Identify strengths & weaknesses on every skill
- Easily pull together small groups
- Progress monitor & track IEP goals with co-teacher access

### *Cumulative Exams*

- Effortlessly create cumulative exams
- Give students the chance to learn from the problems they missed
- Provide each student an individualized retest of what they missed

### *Differentiation*

- Use classes for differentiation
- Modify a student's Mixed Review
- Adjust class and student settings

### *Test Prep*

- Adjust Mixed Review to better align to your state standards
- Use data to identify areas of weakness & remediate as needed
- Harness the power of cumulative exams

We will customize the training to meet your needs with the time you have available.
