# TASK 1 CREATE A CLASS & ADD STUDENTS

## Checklist: Class Setup

### Teacher Screen

- From CLASSES, click the CREATE CLASS button
- Name your demo class, choose a grade level/subject area, & click NEXT
- Preview each of the Spiral Review Starter Bundle skills & click DONE
- From Roster, add a demo student using the Class Enrollment Link
- Add a second demo student manually using the Add Students button
- Edit one student's username and password
- Click on the printer icon to view the class roster

## Check for Understanding

1. Each new class can be preloaded with five skills so that students can learn how GMM works and increase their confidence.
  - True
  - False
  
2. What option(s) do teachers have to add students to a class? Choose all that apply.
  - Share the Class Enrollment Link with students
  - Upload a .csv or .xlsx file
  - Manually enter each student's first and last name
  - Students will be added by each school's tech administrator
  
3. The slider for the Class Enrollment Link should always be turned on for active classes.
  - True
  - False
  
4. What student information is displayed on the printed class roster? Choose all that apply.
  - Student name
  - Student username
  - Student password

# TASK 2 EXPERIENCE THE STUDENT APP

## Checklist: The Student Experience

### Student Screen

- Watch the Student Video: [youtu.be/X2qc3eXdpK4](https://youtu.be/X2qc3eXdpK4)
- View the Student Guide: [tinyurl.com/gmm-st-guide](https://tinyurl.com/gmm-st-guide)
- Log in as one of your demo students: [tinyurl.com/gmm-student](https://tinyurl.com/gmm-student)
- Answer some problems correctly & incorrectly
- Notice the dollar signs & points earned
- Earn at least 12 points

## Check for Understanding

### 1. An assignment is split into which two sections?

- Targeted Skills
- Spiral Review Skills
- Random Skills
- Frequently Missed Skills

### 2. All brand-new skills will start out as \_\_\_\_\_ squares.

- white
- green
- red
- silver star
- yellow
- gold star

### 3. Students can work on any problem with a dollar sign, whether it is a Targeted Skill or a skill in the Spiral Review section.

- True
- False

### 4. Students earn points in Get More Math any time they correctly answer a problem.

- True
- False

### 5. When used, the 'Show Answer' button will also replace a student's current problem.

- True
- False

### 6. On the first day of practicing a new skill, the highest color level a student can achieve is \_\_\_\_\_.

- white
- green
- red
- silver star
- yellow
- gold star

# TASK 3 FIND SKILLS & MAKE AN ASSIGNMENT

### Checklist: Explore the Skills Bank

#### Teacher Screen

- Log in to your Get More Math teacher account: [tinyurl.com/gmm-teacher](https://tinyurl.com/gmm-teacher)
- From WORK, select your grade level/subject area in the center column
- Search for concepts in the skills bank
- Expand a skill & use the refresh arrow to preview several samples

### Checklist: Create an Assignment

#### Teacher Screen

- Create an assignment with three or fewer new skills & save it
- Click PREVIEW to test out the assignment
- Expand a skill & click on the Full Screen button
- Click the printer icon to view worksheet options
- Click ASSIGN, select your demo class, & click the blue oval
- Schedule the release date & time of the assignment or click IMMEDIATE
- Click ASSIGN & notice the message in the bottom left of the screen

### Checklist: Complete an Assignment

#### Student Screen

- Log in as one of your demo students: [tinyurl.com/gmm-student](https://tinyurl.com/gmm-student)
- Answer the problems in the assignment
- Watch your points, track your progress, & notice the color of your squares
- Complete the assignment

### Check for Understanding

#### 1. Connect each symbol with its meaning.

**Colleagues & My Work** - collaborate with other teachers

**Full Screen** - display examples to model for students

**Search Feature** - find skills by key words/skill code

**Refresh Arrow** - preview different problems within a skill

#### 2. How many Spiral Review Points are automatically included in every new assignment?

- 1
- 5
- 8
- 10

#### 3. What options can teachers use for guided practice within Get More Math?

##### Choose all that apply.

- The Preview button
- The Full Screen button
- Print worksheets for guided notes

# TASK 4 MONITOR STUDENT PROGRESS

## Checklist: Work as a Student

### Student Screen

- Log in as one of your demo students: [tinyurl.com/gmm-student](https://tinyurl.com/gmm-student)
- Earn a few points then answer a problem incorrectly
- Click the virtual raised hand button

## Checklist: Monitor Progress & Achievement

### Teacher Screen

- Log in to your Get More Math teacher account: [tinyurl.com/gmm-teacher](https://tinyurl.com/gmm-teacher)
- From CLASSES, choose your demo class & select Current Status
- Click on the demo student's name to view their current problem & answer
- View the Assignments report

## Check for Understanding

1. The 'Time Since Correct' metric on Current Status turns red once it reaches 10 minutes.

- True
- False

2. Teachers can replace a student's current problem.

- True
- False

3. What information is displayed on the Assignment Report for a specific assignment?

Choose all that apply.

- Assignment Completion
- Total Points
- Points from Targeted Skills
- Points from Spiral Review
- Errors Fixed

## Resource Guide

# TASK 5 TIME TO LAUNCH

### Checklist: Prior to the First Day

#### Teacher Screen

- Create your class(es)
- Share the Class Enrollment Link with your students or add them manually

### Checklist: On the First Day

#### Teacher Screen

- Have students watch the Getting Started Video: [youtu.be/X2qc3eXdpK4](https://youtu.be/X2qc3eXdpK4)
- Direct students to complete the video worksheet: [tinyurl.com/gmm-sheet](https://tinyurl.com/gmm-sheet)
- Review the worksheet answers with your students
- Provide time for students to work & earn points in Spiral Review

### Checklist: During the First Week

#### Teacher Screen

- Create & assign two assignments
- Observe your students in real-time using the Current Status screen
- Turn off the slider for the Class Enrollment Link
- Check out Teacher Resources using the profile icon in the top blue ribbon
