# TASK 1 LOG IN & VERIFY CLASS ROSTERS

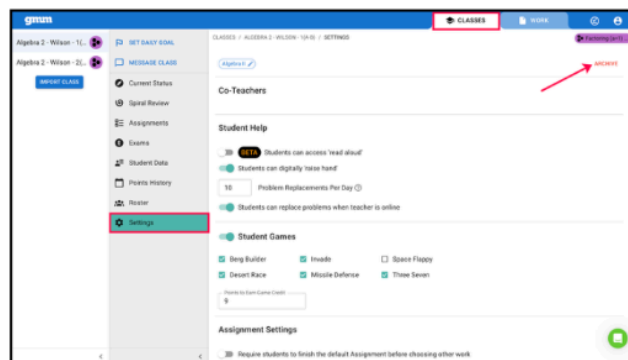

## 1 Launch the Get More Math App

- ▶ Log in to ClassLink.
- ▶ Locate and open the Get More Math app.

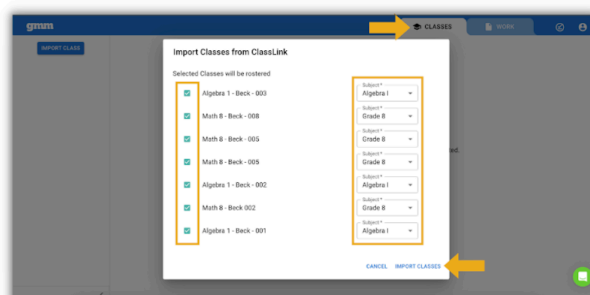

## 2 Archive Your Classes

- ▶ If you have any previous classes in your account, you will want to archive those classes.
- ▶ Brand new teachers will not need to archive.

## 3 Import Your Classes

- ▶ Within the GMM app, click on CLASSES in the blue ribbon.
- ▶ Choose the classes you would like to import.
- ▶ Select a subject for each imported class and click IMPORT CLASSES.

## TASK 2 EXAMINE THE STUDENT APP

### Checklist: The Student Experience

#### Student Screen

- Log in to your Get More Math teacher account
- Watch the Student Video: [youtu.be/X2qc3eXdpK4](https://youtu.be/X2qc3eXdpK4)
- View the Student Guide: [tinyurl.com/gmmstudentguide](https://tinyurl.com/gmmstudentguide)

### Check for Understanding

1. To replace a problem, students click which option on their screen?

- Raised Hand
- Green Check Mark
- Show Answer
- Student Menu

2. On the first day of practicing a new skill, the highest color level a student can achieve is \_\_\_\_\_ .

- |                                 |                                      |
|---------------------------------|--------------------------------------|
| <input type="checkbox"/> White  | <input type="checkbox"/> Green       |
| <input type="checkbox"/> Red    | <input type="checkbox"/> Silver Star |
| <input type="checkbox"/> Yellow | <input type="checkbox"/> Gold Star   |

3. Students earn points in Get More Math any time they correctly answer a problem.

- True
- False

# TASK 3 FIND & CREATE TARGETED SKILLS

### Checklist: Explore the Skills Bank

#### Teacher Screen

- Log in to your Get More Math teacher account
- From WORK, select your grade level/subject area in the center column
- Search for concepts in the skills bank
- Expand a skill & use the refresh arrow to preview several samples

### Checklist: Create an Assignment

#### Teacher Screen

- Create targeted skills with three or fewer skills & save it
- Click PREVIEW to test out the assignment
- Expand a skill & click on the Full Screen button
- Click the printer icon to view worksheet options
- Click ASSIGN, select one of your classes, & click the blue oval
- Schedule the release date & time of the assignment or click IMMEDIATE
- Click ASSIGN & notice the message in the bottom left of the screen

### Check for Understanding

#### 1. Connect each symbol with its meaning.

**Colleagues & My Work** - collaborate with other teachers

**Full Screen** - display examples to model for students

**Search Feature** - find skills by key words/skill code

**Refresh Arrow** - preview different problems within a skill

#### 2. What is the recommended number of points per skill for an assignment?

- 1
- 3
- 5
- Any number you choose

#### 3. When an assignment is completed by a student, Get More Math automatically transitions the student to \_\_\_\_\_

- The next most recent incomplete assignment
- Spiral Review
- Nowhere - the student is done

# TASK 4 MONITOR STUDENT PROGRESS

## Checklist: Monitor Current Status

### Teacher Screen

- Have a student log into their Get More Math account
- Instruct the student to earn points & click on the virtual raised hand button
- Log into your Get More Math teacher account while the student is online
- From CLASSES, choose the student's class & select Current Status
- Click on the student's name to view their current problem & answer

## Checklist: Check Progress & Achievement

### Teacher Screen

- View the Assignments report
- Check out the Student Data report
- Take a look at the data in the Spiral Review report

## Check for Understanding

1. The 'Time Since Correct' metric on Current Status turns red once it reaches 10 minutes.

- True
- False

2. Where can you find a list of individual assignments for a student?

- In the Student Data report from the Assignment option
- In the Spiral Review report
- In Current Status

3. Clicking the Manage Columns icon  allows a teacher to see even more data in Spiral Review.

- True
- False

# TASK 5 TIME TO LAUNCH

### Checklist: Prior to the First Day

#### Teacher Screen

- Create targeted skills with easier review skills ( $\leq 3$  skills per assignment)
- Assign the targeted skills to your class(es)

### Checklist: On the First Day

#### Teacher Screen

- Have students watch the Getting Started Video: [tinyurl.com/studentgettingstarted](https://tinyurl.com/studentgettingstarted)
- Direct students to complete the video worksheet: [tinyurl.com/studentfillable](https://tinyurl.com/studentfillable)
- Review the answers with your students
- Provide time for students to work & earn points in Spiral Review

### Checklist: During the First Week

#### Teacher Screen

- Create & assign two more assignments
- Observe your students in real-time using Current Status
- Encourage your students to level up to green, silver star, and gold star
- Check out Teacher Resources using the profile icon in the top blue ribbon
